Applications will also be considered from applicants with relevant formal qualifications considered by the selection panel to be of an equivalent or higher standard to those stated.

Relevant or equivalent qualifications: give the type of qualification and date awarded (the date awarded is the date on which you were notified of your result by the official awarding body). If you believe your qualification is equivalent to the one required, the onus is on you to provide the panel with details of modules studied etc so that a well-informed decision can be made.

You will be required to provide documentary evidence of your qualifications at interview so please ensure you have these readily available.

SHORTLISTING CRITERIA

In addition, applicants should be aware that after an eligibility sift, should it be necessary to shortlist candidates to go forward to interview, the Panel will carry out an objective evaluation of the strength and breadth of evidence provided by candidates in response to **eligibility criteria 2**.

This will be completed on a scored basis. All applicants will be listed in merit order and the highest scoring applicants will proceed to interview.

The Panel will complete this assessment against the information provided by applicants in response to the eligibility criteria.

Guaranteed Interview Scheme

As part of our commitment to the employment of disabled people, we operate a Guaranteed Interview Scheme (GIS). The GIS does not guarantee a job. However, its objective is to ensure disabled applicants, who meet the minimum essential eligibility criteria for the role they have applied for, are offered an interview. Further information on the GIS can be found at [Information for Disabled Applicants](#)

If you wish to apply under the GIS, you must declare this on your application form. Shortlisting criteria will not apply to GIS applicants.

If you do not wish to apply under the GIS, but do require us to make reasonable adjustments during the recruitment process, you should provide details on your application form. We will consider all requests for reasonable adjustments for any stage of this recruitment process. Details of any disability are only used for these purposes and do not form any part of the selection process.

If you have indicated on your application that you have a disability, are successful in the selection process and are being considered for appointment, you may be asked to outline any reasonable adjustments you consider necessary in order for you to take up an appointment. If you wish to discuss your disability requirements further, please contact HRConnect.

Please note:

- You should ensure that you provide evidence of your experience in your application form, giving length of experience, examples and dates as required.
- It is not sufficient to simply list your duties and responsibilities.
- The selection panel will not make assumptions from the title of the applicant's post or the nature of the organisation as to the skills and experience gained.
- If you do not provide sufficient detail, including the appropriate dates needed to meet the eligibility criteria, the selection panel will reject your application.
- The examples you provide should be concise and relevant to the criteria. This is very important as the examples which you provide may be explored at interview and you may need to be prepared to talk about these in detail if you are invited to interview. It is your unique role the panel are interested in, not that of your team or division.

- ONLY the details provided by you in your application form (the employment history and eligibility criteria) will be provided to the selection panel for the purpose of determining your eligibility for the post. Please do not include your name in the employment history or eligibility criteria sections.
- No additional information or evidence provided in support of your experience will be considered at any time after the closing date for applications.

NICS COMPETENCY FRAMEWORK

The selection process will assess candidates against the NICS competency framework at level 2.

The NICS competency framework sets out how all NICS employees should work. It puts the Civil Service values of integrity, honesty, objectivity and impartiality at the heart of everything they do, and it aligns to the three high-level leadership behaviours that every civil servant needs to model as appropriate to their role and level of responsibility: Set Direction; Engage People and Deliver Results.

Competencies are the skills, knowledge and behaviours that lead to successful performance. The framework outlines ten competencies, which are grouped into three clusters. The competencies are intended to be discrete and cumulative, with each level building on the levels below i.e., a person demonstrating a competency at level 3 should be demonstrating levels 1 and 2 as a matter of course.

The Northern Ireland Civil Service competency framework can be accessed via www.nicsrecruitment.org.uk

It is important that all candidates familiarise themselves with the competency framework as this forms the basis of selection process. Should you require assistance in accessing the competency framework please contact HRConnect.

GUIDANCE FOR APPLICANTS

INTERVIEW PREPARATION

If this is your first experience of a competence-based interview, bear in mind that it does not require you to:

- Talk through previous jobs or appointments from start to finish;
- Provide generalised information as to your background and experience; or
- Provide information that is not specifically relevant to the competence the question is designed to test.

A competence-based interview does however require you to:

- Focus exclusively, in your responses, on your ability to fulfill the competences required for effective performance in the role; and
- Provide specific examples of your experience in relation to the required competence areas.

In preparation for the interview, you may wish to think about having a clear structure for each of your examples, such as:

- Situation – briefly outline the situation;
- Task – what was your objective, what were you trying to achieve;
- Action – what did you actually do, what was your unique contribution;
- Result – what happened, what was the outcome, what did you learn.

The panel will ask you to provide specific examples from your past experience to demonstrate the range of behaviours associated with the competences being assessed. You should therefore come to the interview prepared to discuss in detail a range of examples which best illustrate your skills and abilities in each competence area. You may draw examples from any area of your work / life experiences.

For professional and technical posts, questions may be framed in the context of professional elements of the post.
