About the Northern Ireland Prison Service

The Northern Ireland Prison Service (NIPS) is part of the Department of Justice (DoJ) and plays a vital role in helping to build a safer community in Northern Ireland. Their core purpose is to keep people safe and secure while they are in prison and to work with them so they can address their offending behaviour and play a positive role when they are released.

NIPS Statement of Purpose and Strategic Priorities

NIPS core Statement of Purpose is:

Building a safer community by challenging and supporting people in our care to change.

Organisational Structure and Staffing

NIPS is an executive agency of the Department of Justice (DoJ) which is a part of the Northern Ireland Civil Service (NICS). It is responsible for the operation and delivery of services within the Northern Ireland prison system.

NIPS comprises the three main prison establishments and the Prisoner Escort and Court Custody Services (PECCS).

Maghaberry Prison – a high security prison, housing adult male long-term sentenced and remand prisoners in separated and integrated conditions.

Magilligan Prison – a medium security prison, housing shorter-term sentenced adult male prisoners. This establishment also has low security accommodation for selected prisoners nearing the end of their sentence.

Hydebank Wood College – a medium to low security establishment accommodating remand and sentenced young men between the ages of 18 and 21 and all female prisoners.

Prisoner Escort and Court Custody Services (PECCS)

– PECCS staff have responsibility for the safe operation of the cell holding areas in each Courthouse throughout Northern Ireland and for producing prisoners in court rooms when required. Additionally PECCS are a prisoner transport and escorting service for adult males, adult females, young people and children within the Criminal Justice System. Driver/Escort staff use cellular vehicles which hold and deploy, mainly, from Maghaberry Prison.

The main administrative centre for NIPS, Prison Service Headquarters, is located on the Stormont Estate, Belfast.

The Prison Service College (PSC) is located at Hydebank Wood.

Career Progression within NIPS

Career Progression within NIPS

At the Northern Ireland Prison Service, we want everyone to fulfil their potential. That can mean different things to different people. For some it will mean becoming the best they can be at their grade, for others it will be career progression, whilst some may wish to try new roles within the organisation.

Whilst your first role is likely to be on our residential landings working with the people in our care, after your probationary period you will have opportunities to progress and reach your potential. That could mean working in one of our specialist areas such as prisoner support, the dog section or one of the many specialist positions within the Service.

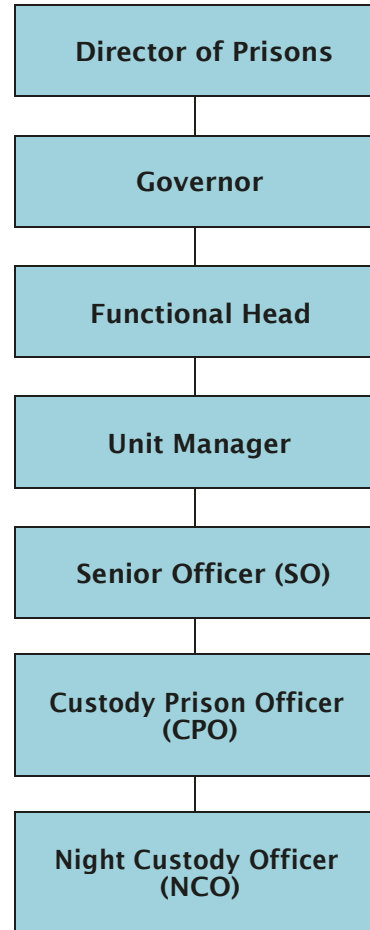

It could also mean going for promotion to Senior Officer or beyond. Like this member of the team who shares her experience of working in the Prison Service.

“I joined the Prison Service in 2007 as a Night Custody Officer and became a Custody Prison Officer in 2012. As a woman I didn’t know what to expect – I just knew I wanted to make a difference. Since 2012 I haven’t looked back and have worked my way through the grades being promoted three times. I have also worked in all the prisons and I am currently Head of Residence in our biggest prison, Maghaberry. While you can have some really challenging days, I can honestly say the good days far outweigh the bad. Changing someone’s life for the better gives you a real sense of achievement because you not only change theirs – you also change their family’s lives and the community they come from.

“If I was asked what makes a really good Prison Officer I would say – resilience, compassion and having the ability to never give up on people – even when other people do. I love working in prisons and I’d encourage anyone to join us.”

**Governor Claire Finlay,
Head of Function**

The actual hours worked per week will vary and will include weekends and public/privilege holidays. Some shifts may be designated as standby periods where you must attend for work or training if required. Although the majority of your working hours will be covering night time periods, training will be ongoing and will require some day time attendance. A shift will start when you are on post and will end when you leave your post. Time spent travelling to and from your post is not included as part of your shift. No additional payments or premiums will be paid for working weekends or public and privilege holidays. Shift patterns will change from time to time.

Please note that your rostered hours will on occasions include weekends and public / privilege holidays for which you will receive your normal rate of pay.

Annual Leave

The annual leave year starts on 1 February and ends on 31 January of the following year. For staff joining NIPS after the leave year has started, entitlement for the remainder of the year will be calculated on a pro-rata basis.

Annual leave entitlement for NCOs is calculated in hours (hrs). The successful candidate will be entitled to the equivalent of 325.6 hrs rising to 369.6 hrs (25 days annual leave rising to 30 days after 5 years satisfactory service and 12 days public/privilege holidays allocated in hours).

Travel

NCOs are currently classified as a non-mobile grade. It is your responsibility to bear the cost of daily travel between home and your permanent work place. You may however, be asked to transfer from one prison establishment to another to accommodate business needs and terms and conditions provide for transfer of such non-mobile grades. When you travel to a temporary work place, the mileage you may be entitled to receive is limited to the lesser of either (a) your home to the place visited or (b) the mileage you would have incurred if your journey had begun from your permanent workplace, to the place visited, by the shortest practicable route.

Training

All candidates are required to possess the appropriate knowledge and skills to enable them to effectively and efficiently perform the duties of an NCO prior to being deployed within their located Prison.

Successful candidates will be required to complete an initial 9 weeks training programme at the Prison Service College at Hydebank Wood and undertake any other training as required to perform the duties of the post they have been assigned to. The College is based at Hydebank Wood and successful candidates will attend training sessions there as well as Maghaberry and Magilligan Prisons. Starting time on the 1st day will be 08.30; thereafter start/finish times will be 08.00 – 16.45 but there will be occasions during job-shadowing when these will be subject to change.

Occasional evening and weekend working may be required to complement and embed the learning. This will be delivered within the normal training hours. In the unlikely event that additional hours are required you will be paid the normal overtime hourly rate.

NCO Terms & Conditions

The training schedule is demanding and requires full attendance. Whilst there is a set amount of time off during the programme, this is pre-allocated and therefore you should not plan to take time off in advance for holidays etc. There will also be personal study requirements outside of timetabled hours.

You will be required to complete and attain the required standard in all modules of training. This includes training in use of Control and Restraint Techniques. You will be required to achieve a high level of occupational competence during your training and you must be able to demonstrate your ability, level of knowledge and understanding through practical application. This will be assessed during the training programme through on-going observation, practical assessment and written exams and where appropriate ongoing performance review.

At the end of the initial training an assessment of your capability to be deployed to an operational area within the NIPS will be carried out. If the assessment confirms that you have not achieved the acceptable standard; particularly in the 5 Core Skill Areas which includes attaining the necessary standard in the use of Control and Restraint techniques; then you will be back-squaded to re-sit these elements within the training environment and this may delay or restrict your deployment from training to an operational work area. Thereafter, any performance management issues identified will be managed in line with the arrangements in place for Probationers.

As well as a high level of occupational competence, successful candidates will be required to conduct themselves in line with the standards required for the conduct of NIPS employees. Should you display unacceptable behaviour, or a conduct issue arises, this may result in dismissal.

Tattoos

The NIPS recognises that having a tattoo does not necessarily prevent you from serving in or joining the NIPS. However, certain tattoos and their visibility may not be acceptable.

NCO Terms & Conditions

All NCOs are required to adhere with the Corporate Uniform Standard. Therefore, careful consideration will be given by the organisation to any tattoos on the head, face, neck and hands or tattoos which cannot be covered by uniform. This includes the size, nature and prominence of the tattoos in question.

- Tattoos will be unacceptable if they are contrary to any of the equality areas identified in Section 75 of the Northern Ireland Act 1998 or are in contravention of the NICS Standards of Conduct.
- Whether visible or not, tattoos will be unacceptable where they could reasonably be interpreted as offensive to members of the public, those in our care or colleagues due to their content or alignment with a particular group.
- The NIPS regularly engages with some of the most vulnerable members of society. Therefore, tattoos which conceal the identity of an NCO to the extent where it would potentially inhibit their ability as an NCO to undertake their duties or which may make a member of the public feel uncomfortable, intimidated or threatened will be unacceptable.

All tattoos must be described giving size, location and nature. A verifiable translation must accompany any tattoos containing non-English words, characters or representations. Applicants to the NIPS may be required to supply photographs of tattoos as a condition of the recruitment process.

Probation

Confirmation of your appointment will be dependent upon the satisfactory completion of a probationary period of 1 year. If your performance, conduct or attendance during this period is not satisfactory your appointment may be terminated. All appointees will be expected to demonstrate a track record of effective service within this period.

Uniform

A uniform is provided for all new staff which you must wear at all times whilst on duty and when required to do so. Each establishment has a set of Governor's Orders pertaining to the standard of dress for staff and you will be expected to maintain a clean, neat and tidy appearance at all times. Staff uniforms are not currently worn at Hydebank Wood College which currently attracts a clothing allowance.

Diversity & Inclusion

Diversity & Inclusion

The NIPS values and welcomes diversity and is committed to creating a truly inclusive workplace. Diversity and inclusion are reflected in and embedded across the entire range of NICS employment policies and practices.

The Northern Ireland Civil Service is an Equal Opportunities Employer.

Applications from Roman Catholics, women, young people (people under the age of 35), people with a disability and people from minority ethnic communities are particularly welcomed for this post.

All applications for employment are considered strictly on the basis of merit.

Equal Opportunities Monitoring Form

Please note that the Equal Opportunities monitoring section of the application form is mandatory in order to submit an application.

For guidance on completing the Monitoring Form and to read the NICS Equal Opportunities Policy Statement please refer to the DoF website: www.finance-ni.gov.uk

Disability Requirements: Reasonable Adjustment Requests

The NIPS is committed to the employment and career development of disabled people. If you have a disability you may request a reasonable adjustment to ensure you are given as much support as possible throughout the recruitment process.

It is essential that you do this in advance of starting the live test. You will need to provide relevant evidence to support your request for a reasonable adjustment, for example, an occupational psychologist report or a GP's medical statement.

Evidence to support your request should be sent to HRConnect at recruitment@hrconnect.nigov.net as soon as possible following submission of your application.

Please mark your correspondence with the competition reference number IRC302474 and title it 'Supporting evidence for reasonable adjustment request'. We may contact you directly to discuss your requirements.

It is essential that special arrangements concerning any adjustment requests are made in advance of starting the live test, as retrospective arrangements cannot be made after you have started.

Diversity & Inclusion

Guaranteed Interview Scheme

As part of our commitment to the employment of disabled people, we operate a Guaranteed Interview Scheme (GIS). The GIS does not guarantee a job. However, its objective is to ensure a guaranteed number of disabled applicants, who meet the minimum essential eligibility criteria for the role they have applied for, are offered an interview. Further information on the GIS can be found on the NICS Recruitment website under the section 'Information for Disabled Applicants' - <https://irecruit-ext.hrconnect.nigov.net/pages/content.aspx?Page=Information-for-Disabled-Appllicants->

In assessing whether applicants meet the minimum essential eligibility criteria, they are required to undertake a test/assessment. All applicants must achieve the required minimum score in order to be invited to interview.

Should a large number of candidates achieve the required score, we may limit the overall numbers of interviews offered and those applicants who demonstrate they best meet the minimum essential eligibility criteria for the job (i.e., the highest scoring) will be invited to interview.

In this scenario, we will take positive action to ensure that the number of GIS applicants invited to interview will be in proportion to those who pass the test/assessment.

- The final deadline for completing the assessment is **5pm on Monday 10 June 2024**.
- You need to complete the following steps to complete the assessment.
- **Note that all of these steps are done via the assessment site which you access using the link in your invitation email.**
- You should access the assessment site as soon as possible. Everything is done through the assessment site and everything is explained on the assessment site.

1. Check your Webcam
2. Verify your identity
3. Study the Familiarisation & Practice material
4. Take the online tests

Preparing for your online assessment

You will need a computer, a working webcam and a reliable internet connection.

You will need to use an up to date **Chrome or Microsoft Edge** browser on your PC. If you are using a Mac, **you MUST use Chrome or Edge. Do not use Safari.**

Do not use a tablet, phone or Chromebook.

Selection & Assessment Process

Step 1 - Check your webcam

NOTE—you will need a working webcam to enable the proctoring to take place.

The onus is on candidates to ensure they have access to a webcam, regrettably no alternatives are available.

Click the 'Webcam test' button. This will check if your webcam is working within the program. Also make sure that you are clearly visible and front on in the image and be aware that you need to remain clearly visible throughout the live assessment.

Do this well in advance of taking the live assessment and also do it immediately before taking the live assessment in case something has changed.

Step 2 - Verify your ID

IMPORTANT: DO NOT SEND ANY PHOTOS OF YOURSELF FOR YOUR ID BY EMAIL. YOU MUST DO THIS THROUGH THE ASSESSMENT WEBSITE.

Before starting the ID Verification process, you should click the yellow-highlighted link at the top of the main menu page ('ID Verification and Proctoring – instructions, common issues and resolutions.pdf') and read the document.

If you encounter a problem with your ID verification or starting a live test, please consult it before emailing support.

NOTE – you cannot start the live tests unless your ID has been verified.

For this you will need to have a valid photo ID (Passports, driving licenses and electoral cards are acceptable photo IDs). Using the webcam, you will need to take a webcam image of yourself and a webcam image of your ID (e.g., passport). You will be informed by email of the verification outcome using the email you provided at application.

We will check your ID and you will receive an email from admin@assessmentintelligencemail.com informing you of the outcome (**but do check your junk/spam folder and do log on to check your ID verification status if you feel you are waiting too long**). You may be asked to re-take the photos and this is not uncommon, so please start the verification process early to ensure you have enough time to complete the process.

You can check your ID Verification Status by logging in. If you have not been notified within 24 hours of submitting images AND your online verification status is still 'Submitted waiting approval' you must send an email to: support@assessmentintelligence.com including your **Candidate Reference Number** and 'NCO2024' in the subject line.

Selection & Assessment Process

We advise you to submit your webcam images as soon as possible. You should have submitted your images for identity verification by 6pm on Thursday 6th June 2024 otherwise we cannot guarantee that the identity verification process will be completed in time for you to take the live tests before the final deadline.

NOTE – if the name on your photo ID will differ significantly from your name on your application, you **MUST** inform HR Connect by emailing Recruitment@hrconnect.nigov.net including your Candidate Reference Number and 'NCO2024' in the subject line. Your email should explain the reason and include any supporting document (e.g. marriage certificate).

NOTE – you **MUST** complete the identity verification process online.

Under no circumstances send any images by email – unless we specifically request it.

Please note, it is your responsibility to ensure that you submit your images in good time.

Step 3 - Study the Familiarisation and Practice material for the online assessments

It is **ESSENTIAL** that you use the online Familiarisation and Practice material to check that your browser and the internet connection that you intend to take the live test on are compatible with the online tests.

Note that some network firewalls (e.g., on work networks) may block access to the test site or prevent images from showing.

If you can complete the Verification of ID process, your Webcam check is successful and the Familiarisation and Practice material works well on your IT equipment, this is a good indication that the live tests will work also.

It is **ESSENTIAL** that you access the Familiarisation and Practice materials using the computer and internet connection that you intend to take the live test on well in advance of the tests.

The Familiarisation and Practice material will give you a detailed description of the tests, include full instructions for completing the tests and provide example and practice questions so that you know how to record your answers and navigate your way around the tests. You should be fully familiar with these things before taking the live tests in order to perform at your best.

Selection & Assessment Process

Step 4 - Taking the live assessments

The online assessment consists of 2 Tests.

Test 1: Verbal Comprehension - assesses your ability to organise written material in the way that makes the most sense.

Test 2: Following Procedures and Basic Calculations - assesses your ability to follow rules and apply criteria, and to do calculations correctly.

- The time allowed for these tests is;
 - **Verbal Comprehension – 25 minutes**
 - **Following Procedures and Basic Calculations – 20 minutes**

For best results we recommend completing the online assessments in a test-like environment. Any possible distractions should be turned off, for example mobile phones, TV and music. Concentration is needed throughout the assessments, so when completing each test, ensure other people are aware that they should not disturb you until you are finished.

No responsibility can be accepted for any issues arising from where you choose to sit the tests.

Before starting a live test, you should close all other browsers and browser tabs. You should not take the test on a computer that is remotely connected to a work network as the link may be unstable.

Once you log into the test platform and complete the honesty and privacy statements you will see a menu showing (i) Webcam Test (ii) the Identity Verification, and (iii) the Familiarisation material. The links to the live assessments will appear on the menu once your identity has been verified by a human verifier.

Immediately before you click the start button to begin a live assessment, there will be an image of you at the bottom of the page. This should be a front-on view of you as you take the assessment.

You need to make sure that you are clearly seen in this image before starting the assessment and that you will remain visible in the image during the assessment.

During the assessment, you will see a small video stream from your webcam in the top left corner. Images from this stream will be monitored. We take great care with your webcam images and retain them for as short a time as possible. The image of your photo ID is deleted as soon as your identity has been verified.

Selection & Assessment Process

Technical issues

If you lose internet connection while in the live test, you should immediately close your browser.

You will be able to continue the test without losing time and your previous answers will have been saved (except possibly on the last page you were on before losing connection).

If you experience any other issue while taking the live test, you should immediately close your browser and email support@assessmentintelligence.com including your **Candidate Reference Number** and **NCO2024** in the subject line.

If you do need to close your browser or your computer crashes and restarts, you must start up a fresh browser and paste in the test link again.

If your browser starts up and reloads the test again automatically, you must close it down immediately and start from a fresh browser. If you browser starts up and asks if you want to restore sessions or pages, you MUST decline.

Final deadline

IMPORTANT– you must complete all the live tests by **5pm on Monday 10th June 2024** and we strongly advise that you complete them well in advance of the deadline.

If you leave it towards the end of the assessment window and find you have a problem (e.g., with your computer or internet) you may not have time to resolve your problem and complete the tests before the deadline.

You must have submitted your images for ID Verification before **6pm on Thursday 6th June 2024** and preferably well before then.

Selection & Assessment Process

Disability Requirements: Reasonable Adjustment Requests

The NIPS is committed to the employment and career development of disabled people. If you have a disability you may request a reasonable adjustment to ensure you are given as much support as possible throughout the recruitment process.

It is essential that you do this in advance of starting the live test. You will need to provide relevant evidence to support your request for a reasonable adjustment, for example, an occupational psychologist report or a GP's medical statement.

Evidence to support your request should be sent to HRConnect at recruitment@hrconnect.nigov.net as soon as possible following submission of your application.

Please mark your correspondence with the competition reference number IRC302474 and title it 'Supporting evidence for reasonable adjustment request'. We may contact you directly to discuss your requirements.

It is essential that special arrangements concerning any adjustment requests are made in advance of starting the live test, as retrospective arrangements cannot be made after you have started.

Selection & Assessment Process

Interview Guidance

Competence Based Interviews

Selection Panels will design questions to test the applicant's knowledge and experience in each of the above areas and award marks accordingly.

NICS Competency Framework

The selection process will assess candidates against the NICS competency framework at level 1.

The NICS competency framework sets out how all NICS employees should work. It puts the Civil Service values of integrity, honesty, objectivity and impartiality at the heart of everything they do, and it aligns to the three high-level leadership behaviours that every civil servant needs to model as appropriate to their role and level of responsibility: Set Direction; Engage People and Deliver Results.

Competencies are the skills, knowledge and behaviours that lead to successful performance. The framework outlines ten competencies, which are grouped into three clusters. The competencies are intended to be discrete and cumulative, with each level building on the levels below i.e. a person demonstrating a competency at level 3 should be demonstrating levels 1 and 2 as a matter of course.

The Northern Ireland Civil Service competency framework can be accessed via www.nicsrecruitment.org.uk

It is important that all candidates familiarise themselves with the competency framework as this forms the basis of selection process. Should you require assistance in accessing the competency framework please contact HRConnect.

The NIPS has a Core Competence Framework, which is grade specific and describes what people need to do in order to be effective at work. It is not enough to just have the knowledge and skills to do our jobs. Competence is about what people actually do, it is about how you apply or demonstrate the knowledge and skills whilst carrying out your tasks. Demonstrated competence is observable and measurable.

The competency requirements for the role of NCO are categorised under:

- 1. Seeing the Big Picture;**
- 2. Making Effective Decisions;**

Feedback

The Northern Ireland Civil Service is committed to ensuring that the processes used to recruit and select staff are fair and in accordance with the principles of the Civil Service Commissioners Code. We are consequently committed to providing feedback in respect of decisions taken in determining eligibility/shortlisting as well as at interview. Feedback in respect of eligibility/shortlisting will be communicated automatically to those candidates who fail to satisfy any criteria. All requests for feedback are welcome.

Interview Guidance For Applicants

If this is your first experience of a competence-based interview, bear in mind that it does not require you to:

- Talk through previous jobs or appointments from start to finish;
- Provide generalised information as to your background and experience; or
- Provide information that is not specifically relevant to the competence the question is designed to test.

A competence-based interview does however require you to:

- Focus exclusively, in your responses, on your ability to fulfil the competences required for effective performance in the role; and
- Provide specific examples of your experience in relation to the required competence areas.

In preparation for the interview you may wish to think about having a clear structure for each of your examples, such as:

- **Situation** – briefly outline the situation;
- **Task** – what was your objective, what were you trying to achieve;
- **Action** – what did you actually do, what was your unique contribution;
- **Result** – what happened, what was the outcome, what did you learn.

The panel will ask you to provide specific examples from your past experience to demonstrate the range of behaviours associated with the competences being assessed. You should therefore come to the interview prepared to discuss in detail a range of examples which best illustrate your skills and abilities in each competence area. You may draw examples from any area of your work / life experiences.

Health Requirements

The role of an NCO in NIPS is both physically and psychologically challenging, requiring a level of mental and physical capacity that ensures duties are carried out effectively and safely, without undue stress or risk of injury.

Activities that place a high demand on physical fitness are generally infrequent but when required they are often critical to success. The failure of an NCO to perform a given duty because of a lack of mental and/or physical capacity could have serious, even fatal consequences for the officer, his or her colleagues, prisoners and the public. Certain conditions may be incompatible with work within NIPS for example those causing sudden and unexpected loss of consciousness or dizziness or significant restriction of physical fitness or mobility.

Candidates should note that a history of a significant medical condition which interferes with the functional ability to undertake the duties of the post or has the potential to put the candidate or anyone else at significant risk may be a cause for rejection but that cases will be assessed individually in compliance with relevant disability legislation.

All candidates must be physically and psychologically capable of undertaking the work of an NCO. Fitness testing may be carried out by NIPS after recruitment on a periodic/regular and ongoing basis.

Please note that the candidate is responsible for any costs incurred obtaining any medical reports or contact lenses if required (detailed below). Failure to enclose the necessary reports will result in applications being returned.

The following health standards must be met by all candidates in order for them to be deemed fit to work as an NCO:

Night Custody Officers need to be physically fit and have a standard of health such that neither their safety, the safety of their colleagues nor the safety of prisoners should be compromised.

General Information

Candidates should have a body mass index (BMI) within the range of 19-30. A BMI outside the 19-30 range may not in itself be a bar to employment unless there is an impairment of functional capacity.

Blood pressure must be within acceptable limits.

Where a candidate indicates on their health declaration that they suffer from an ongoing medical condition they are required to include with their health declaration a medical report from their GP/Consultant indicating the nature of the condition and any likely impact on functional ability to work as an NCO.

Insulin dependent diabetics may be accepted if their GP/Specialist confirms that they can demonstrate long-term stability of their diabetic control without significant hypoglycaemic episodes. An individual with a history of significant hypoglycaemic episodes may be rejected. An individual with a history of impaired awareness of hypoglycaemia may be rejected. Candidates must ask their GP/Specialist to complete a diabetic form and return this with their health declaration.

Tuberculosis (TB) immunity and Hepatitis B (HEP B) will be assessed as part of the pre-employment assessment, candidates must submit a completed TB and HEP B immunity letter with their health declaration, candidates must also comply with any additional tests required to establish TB and HEP B immunity.

The certificate should indicate that the lenses are appropriate, well tolerated, without adverse effect and can be worn for at least 14 hours continuously per day.

The uncorrected visual acuity (i.e., without contact lenses) must also be stated.

They should also have alternative corrective lenses in the form of glasses, in the event of inability for any reason to wear contact lenses at work
